

### Product Description

|                    |                                                                                                                                |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Product Type       | Server Case                                                                                                                    |
| Product ID         | IC2006                                                                                                                         |
| Size               | 2U                                                                                                                             |
| Weight             | ± 9,2 kg                                                                                                                       |
| Dimension (DxWxH)  | 650 x 482,6 x 88,90 mm                                                                                                         |
| Material           | 1.0 mm SGCC                                                                                                                    |
| System Board       | EEB (12"x13") CEB (12"x10.5")<br>ATX (12"x9.6")                                                                                |
| Cooling Fan        | Middle: 4x High-Speed Fans<br>80x80x25 mm                                                                                      |
| Power Supply       | 2U Single or Redundant                                                                                                         |
| Drive Bay          | * 6x Internal Harddisk 3.5" HDD<br>* 1x Optical Driver Bay 5.25"<br>(Optional)                                                 |
| Application        | * Internet Server (Web/Email)<br>* File Server<br>* Data Base Server<br>* NAS / ISCSI                                          |
| Features & Benefit | * 1x Power On/Off Indicator<br>* 2x USB Port<br>* 3x Lan Indicator<br>* HDD Activity Indicator<br>* Alarm LED<br>* System Rset |
